**About**

PAD Specialists are experts in the diagnosis and treatment of Peripheral Arterial Disease. PADS outpatient facilities represent quantum leap improvements in patient care, clinical outcomes, and referring physician satisfaction. PADS focuses on quality, evidence-based medical practice, and customer service. Our expert PAD Proceduralists are all Board Certified and Fellowship trained with many years of specialized training.

PADS Laredo opened in February 2021 as the only healthcare organization in the city that specializes in treating Peripheral Arterial Disease. Laredo PADS Proceduralist, Dinesh Sundarakumar, MD is an Interventional Radiologist specializing in Vascular Medicine.
